Monthly Chapter Event

Come find out if you can “catch” some of that money you “give away” at tax time! We will learn about amortization of equipment and the tax advantages when you do this correctly!

We’ll also talk about business formation. How was your business formed? LLC? Sold proprietor? Corporation? How do you know it’s still the right type for your company now? Come to our February event to learn!

Don’t miss this presentation by audit partner Jennifer Dizon and tax partner Tamara Bonghi of Hood & Strong.
